Recommendation Letter

I am writing this letter of recommendation on behalf of **Kuma Tsegaye Gemmechu**, one of the most extraordinary students I have taught—both in terms of academic performance and personal conduct. I have known Kuma for the past three years, since he joined our school as a Grade 9 student. I currently serve as his IT teacher and as the facilitator of the Science and Technology Club, of which he is an active member.

As a student, Kuma is punctual, diligent, and hardworking. He consistently submits assignments on time and shows a deep curiosity and enthusiasm to understand the subjects he studies—something that has always fascinated me. Beyond the classroom, Kuma stands out as a leading member of our Science and Technology Club, where we focus on empowering young minds in the field of technology. He serves as a sub-team leader in our web development training program, where he demonstrates remarkable dedication, persistence, and leadership—all while maintaining one of the highest academic scores in the school.

I hold great admiration and respect for the young man Kuma is and the person he is becoming. I strongly believe that anyone who gets the opportunity to know him as I have will see that he is not only hardworking, but also gentle, kind, and humble. His respect for teachers and classmates is something I truly appreciate.

I am fully confident that Kuma will carry his diligence, strong work ethic, and values wherever he goes. Please feel free to contact me if you would like any additional information—I would be glad to speak further on his behalf. For further information, please contact me on gezhegnflower@gmail.com

Sincerely;
Mr. Flower Gezhegn Nini
